

## President's Budget of the U. S. Government, FY 2011

The President's Budget of the United States Government, Fiscal Year 2011 is now available from the United States Government Printing Office (GPO). The public can search or browse the budget, which is accessible from GPO's [Federal Digital System](#). FY 2011 Budget documents are available in PDF, with many of the tables also available for separate viewing and downloading as spreadsheets in xls and comma delimited formats.

The online PDF versions of the FY 2011 Budget on GPO's Federal Digital System (FDsys) are digitally signed. GPO has signed and certified the PDF files to assure users of the authenticity of the documents. These signatures not only establish GPO as the trusted information disseminator, but also provide the assurance that the electronic PDF documents have not been altered since GPO disseminated them. More information on [authentication](#).
